### **Day time clinics**

*Tuesday, September 22, 2009*

1330- 1500 hrs      at the Goochland Health Department

*Tuesday September 29, 2009*

1330- 1500 hrs      at the Goochland Health Department

If none of the department sponsored clinics suit your schedule and you still wish to receive a flu shot please contact the Goochland County Health Department to schedule one at a time that is convenient for you @ 556-5843. For those of you who may not know, the Health Department is located inside the County Government Administration Building at 1800 Sandy Hook Road. Enter the front door and the receptionist will direct you to the Health Department Office.

**Company officers please encourage and see that your members get this important information.**

As I have stated we are on a tight time schedule so please try to be prompt, have your paper work ready, and not have everyone show up the last five minutes to receive their shots. I ask for your patients and flexibility has we work through this new process. . Greg
